FFCS Conference 2015

Son of God

July 31st and August 1st

• Celebrate • Recognize • Reconcile • Reach out •

Join other former Christian Scientists (CS) to worship, pray, fellowship,
and consider together what Scripture says about:
Who is the Son of God, why this is important, and how we can tell others?

Connect with a community of former
Christian Scientists.

Hear others' stories and **Share** your
own, if you want to, in a safe
environment with people who can
relate.

Learn from expert speakers who
understand CS, biblical Christianity and
ways to reach out to current Christian
Scientists in your life.
